EDITOR'S LETTER

A quick glance out of the window tells me that there's a glorious blue sky, but luckily we're a right bunch of sun-dodgers here. It's not that we prefer the pale and interesting look, it's just that it's inside that we get to spend the day ogling another selection of toppermost crumpet, and what a selection we've got lined up this month, with debutante Imogen joining established hotties like Dannii Harwood, Kiki Daniels and Charlie Rose. Mind you, with girls that hot you might need some factor 50 after all...

BACON SLUTTY

Dear *Mayfair*,

I When one of my housemates, Rosie, informed me that she had decided to become a lesbian, I wasn't too worried. Even though I wanted to shag her more than any girl I've ever met, I knew that her decision would probably increase my chances with her. After all, this was the girl who insisted that she was a steadfast vegetarian, yet had pinched my bacon roll as I cooked myself a Saturday morning fry-up.

"What's that wonderful smell?" she'd asked, padding into the shared kitchen. She was semi-naked and I had an urge to pin her fabulous body against the counter and do sordid things to it. For added torture, she proceeded to

**I WAS TRYING TO FIGHT
THE URGE TO COME AS
HER SLIPPERY WALLS
TEASED ME...**

do a warm-down routine in her little athletics shorts and top during which she assumed some cock-stretching positions - there's only one reason for a gorgeous babe to bend over, spread her legs wide and slide her hands down to her ankles as far as I'm concerned. Rosie was looking at me in an expectant way. Could she tell that I'd been thinking of pulling her shorts down and completing her warm-down by stretching her pussy around my cock? Thin walls and adjoining rooms meant that I knew just how much she loved a nice cock inside her, for all her professions of lesbianism.

"The coffee?" I nodded at the percolator bubbling away.

"No, it's this." She indicated my bacon, egg and tomato roll. She'd definitely worked-up an appetite from her run - and maybe shaken a screw loose. A vegetarian shouldn't be lusting over a bacon buttie. I told her what was in it and jokingly offered it to her and watched in surprise as she took a bite - her first meat in years.

"Hey! That's my breakfast!" I protested as she wolfed down another mouthful

and took the rest into the downstairs shower. That moment more than any other defined our relationship. I was her guilty secret; by making an extra bacon buttie on Saturday mornings, I became her clandestine supplier of meaty treats. And that one shared secret led to others. That was why I calculated my chances of bedding Rosie had increased when she swore-off men, declared lesbianism and started dating women. Rosie didn't make a good lesbian - for a start she didn't seem to fancy women. I laughed when she told me that shortcoming as she sipped from my glass of wine - another naughty indulgence. She never had her own glass, yet I got through an extra half-bottle when she joined me for a chat.

"I mean, what do lesbians actually do - you know together?" she asked semi-seriously. I offered to lend her a couple of DVDs and kicked myself afterwards, thinking that I should have offered a joint-viewing in my room. Still, it was highly arousing just listening to her watch them.

"So - what did you think?"

"They were very... educational." Rosie said carefully. "There are a few things in there that I'd like to, you know, try." And she did. She dated a very pretty girl and those things that I didn't hear through the thin walls, she'd tell me about on Saturday mornings.

"Well, I'm just going to go and have a wank," I announced after a particularly

PERFECT GENE-TAYLOR!

Dear *Mayfair*,

What a treat to see the incredibly Dutch hottie Taylor Sands in your latest issue (54.06). I first clocked her in a particularly naughty film about a year ago and instantly fell in love with her pube and puffy pussy combo (not to mention the rest of her), which, from the evidence of that film, she knows how to put to very good use indeed! I've always been a sucker for a really chewable set of fanny lips, and Taylor's the proud owner of one of my all time favourite sets, although there have been plenty of other Mayfair honies over the years who could give her a run for her money!

Dave, Salisbury.

sordid revelation. "You can leave the washing-up." Rosie sniggered as I extracted myself from the awkward rear bench and hobbled back to my room.

"Really? You're going to have a wank? Now?" She sounded genuinely shocked.

"Well, I don't think this is going to go

away by itself," I said, indicating the bulge in my jeans and I saw the thoughtful look as she gazed at my crotch. We both knew what she wanted, the question was – would she crack again? Would the bacon-eating veggie give in to her cock-cravings? I was hopeful that she wouldn't be able to resist the thought of a ready-and-willing erection just waiting for her. "You can come and help if you want," I added casually, as though it was an afterthought.

She didn't follow straight away. I'd pulled-off my jeans and boxers by the time there was a soft knock. "It's Rosie," she whispered unnecessarily. I opened the door and immediately clocked the uncertainty on her face. Lingered in the corridor, she had to steel herself for what was to come before finally stepping forward. Uncertainty became desire and hunger as she turned the key; her eyes never once strayed from my bobbing erection as she approached in a penile trance and dropped to her knees as though in worship.

"Can I... can I touch him?" she whispered.

"I'm sure he'd love that," I replied, feeling a bit weird talking about my cock in the third person. That was all forgotten as Rosie's hands closed around my flesh at long last. We both groaned at our first sexual contact.

"Hmmm... he feels lovely: big and hard."

"He's pleased to see you. Why don't you give him a little kiss?" For the first time since she came into the room, Rosie's eyes flickered up to mine and she smiled. Then she kissed my cock, right on the sensitive tip. Her lips were soft but her tongue was hard and delightfully rough as it played across the underside of my cock and teased my pee-hole. It felt and looked wonderful as Rosie gazed up into my eyes and sucked. A moment later, all I could see was the top of her head as she surged towards my belly, taking my cock deeply into her mouth. Time and again she released my cock breathlessly, ribbons of saliva hanging between it and her lips before starting again.

"I want to feel him inside me," she announced as she sucked my cock clean. Pushing me back to the bed, she peeled-off those tight little running shorts. As I lay on the bed, she hurdled me and exposed the delicate little slit of her shaved pussy. I'd clocked the camel-toe outline on many occasions but naked, it was more inviting than I'd thought possible. Even as I marvelled at Rosie's well-toned and carefully manicured crotch, it was dropping down to meet my cock. There was a moment of resistance as Rosie guided it home and then it was sliding inside her. "Oh God, I've missed this," she groaned as she dropped down lower, impaling herself on my meaty pole. "There's no toy on Earth that can beat a nice big cock inside you." My cock wasn't the only part of me to swell at her second use of the word 'big': my ego was doing high-fives.

Rosie gripped her top in both hands and ripped it off over her head. I was truly dreaming now. The girl of my wank-fantasies was naked, bouncing happily on my cock. Her jiggling tits were bigger than I'd pictured – they must have been severely constricted in the close confines of her running top. A slightly sweaty vision of loveliness, Rosie alternated between bouncing and rotating her hips, her skin glowing with desire. I was trying to fight the urge to come inside her as the soft slippery walls of her vagina teased me towards orgasm. She paused at the very bottom of a stroke and her internal muscles worked me like a velvet glove. Only as she released an enormous gasp of breath and steadied herself with a hand on my chest did I realise that she'd had a tightly-controlled orgasm. Thinking about her using that orgasmic-control whilst watching my lesbian DVDs and against her girlfriend's tongue and probing fingers, I just couldn't take it any longer. "I'm going to come," I groaned and Rosie practically leapt into the air.

"Don't you dare!" she cried and twirled round to suck on my cock again. The bonus with that manoeuvre was that not only was I having my cock sucked, but I was treated to a glorious view of her tight peach of an arse. I ran my hand up the back of her thighs and sank my fingers into

ROCKED BY SUEDE

Dear Mayfair,

Whenever my missus wants to get me in the mood she's got a surefire way of doing it – by donning her thigh length suede boots that I treated her to a few years back. I've always had a thing for boots like that, although it took me ages to confess my kink to her, but she's been more than happy to indulge me ever since (although I sometime think she likes them even more than me nowadays). So imagine my delight when your stunning coverbabe Brooke was sporting a pair that were virtually identical! They perfectly accentuated her long, shapely legs, although I'd have liked a few more pictures where the whole boots were visible. Unfortunately, my missus can't quite match Brooke in every department, but at least they've got something in common – and needless to say, the spread of Brooke inspired me to redouble my efforts in the marital bed after I'd had a good look at them!

Stephen, Maidstone.

Well Stephen, we've had a rummage and dug out this pic which wasn't used last month, which we hope will show off Brooke's daisy roots to your full satisfaction! - Ed.

her wet pussy, whilst my eyes examined the crinkly flesh of her exposed arsehole. It seemed to have fully recovered from the intense pounding it had taken from Rosie's girlfriend, although it was apparently still too uncomfortable to sit on. It had been the story unravelling from that admission which had led to Rosie now sucking my cock. With a happy sigh, I gave-in to Rosie's oral ministrations and popped my nuts. I could almost feel her purring as I spat my spunky-payload into her mouth and she let my goo pool before sucking hard and swallowing it down. "Oh fuck, I've missed that – cock and come: what a combination!"

Things moved pretty rapidly after that day. Rosie kept sneaking into my room and eventually dumped her girlfriend – although I made sure they stayed on good terms, just in case a threesome might be on the cards – and we got a place together so that I could indulge her need for meat whenever she felt like it, even if she does still insist she's a veggie!

Martin, Brentford.

Issue 7 of the year, and I make that the perfect time to present another stunning British debutante in the shape of 20 year old Imogen, a dazzling slice of home grown-horniness who hails all the way from darkest Suffolk! It's not often we venture beyond our traditional hunting ground of Essex into the mists of East Anglia, but we're certainly glad we did with Imogen here...

"Hey! You make it sound like Suffolk's the back of beyond or something!" she protests. "I'll have you know that Ipswich has got anything a normal, healthy young person could possibly want!"

Well, with you living there, we can't argue!

FOOT AND MOUTH

Dear *Mayfair*,

I'm one of those people who count their blessings and appreciate the good things in their life. So there isn't a day that goes by that I don't feel lucky to have a girlfriend like Nadia. She is a petite, sexy blonde who knows just how to push all my buttons in exactly the right way! She loves sex and knows just how to get me off. Nadia has the most beautiful pair of boobs, a lovely round, firm arse and long shapely legs, but what really drives me wild about her is her gorgeous feet. I confess to being a complete 'foot man', and love nothing more than playing with the soft skin on the sole and suck the toes of a pretty female foot.

Foot sex has now become my very

AND HER SWOLLEN

favourite thing and, as Nadia gets off on it too, it's become a regular part of our love life, and the first time we tried it will always be one of my sexiest memories of all time.

I arrived home from a meeting one evening to find Nadia completely naked, her body glistening under the light. Her body was still moist from the bath, and she was a sight to behold as she patted the last of the damp spots with a towel.

Seeing me gawping at her, she smiled naughtily at me as she poured some moisturiser into her palm and massaging the soft scented cream into her toes and feet, and then up her long slender legs. Then, spreading her thighs, she worked some of the cream into her mound and between her legs.

Watching her, I became almost crazed with lust, and I quickly stripped my clothes off. Taking her in my arms, I kissed her hungrily. Her arms snaked around my shoulders as she lifted one knee high and pressed it against my hard-on. My cock got even stiffer as, leaning right back with one hand gripping the reverse of my neck, she brought her knee up higher until her long toes were toying with my shaft.

It felt amazing and adrenaline surged through my body as I felt her toes curl around my erection. With my heart beating rapidly, I laid her gently back and, fighting to keep control of myself, I began running my hands along the curves of her body.

I leaned over her, placing soft kisses on her nipples and clit as I moved downwards until I reached her feet. Then, repositioning myself at the end of the bed, my hands took one delicate, soft-skinned foot, and I raised it to my lips. Kissing the sole of her foot gently, I watched in delight while she

squirmed on her back.

She smiled up at me, her eyes drinking it all in as my tongue explored between her dainty toes. Sucking each toe tip gently, I nibbled the soft fleshy pads, being careful to keep my touch gentle and sensual so as not to tickle her. Nadia is a natural-born cock-teaser and seeing how turned on I'd become got her well and truly juiced up while I worshipped her stunning feet.

She moaned as she watched me licking and caressing her foot. I then turned my attention to the other foot and repeated the process, switching between nibbling and licking to caressing and massaging. From my viewpoint at the bottom of the bed, I looked appreciatively up her legs to her beautifully shaved pussy. The delicate lips of her little slit started to contract and her swollen pussy glistened with juices as she studied my expressions while I sucked on her toes.

My erection was growing and standing proud now, so I took my engorged cock in my fist and began to stroke it. I hadn't been so turned on in a long time and my cock seemed larger than usual. As I ran my inflated prick along the soles of her feet, Nadia began to finger her pussy.

Giggling, she placed both of her feet against my groin. I was so close to climaxing, but I wanted the full satisfaction so I removed her feet and climbed onto the bed. Sitting facing her, I returned her feet to my groin and asked her to wank me off with them.

Gripping my cock with her toes, she started to rub my shaft slowly and methodically with her sexy feet. The sensations, coupled with the spectacle, was so intense I moaned and gasped loudly as my erection throbbed so hard it threatened to break free from her grip.

Nadia maintained control of my dick by clamping her feet firmly against both sides of it, sandwiching the soft skin of my cock between the slightly rough soles of her pretty feet, while continuing to pump up and down my shaft. As she foot-fucked me, she spread her pussy lips and rubbed hard at her clit, dipping two fingers inside her tight little cunt.

My balls ached and I knew I was only seconds from shooting a massive load.

HAPPY FINNISH!

Dear *Mayfair*,

I'm enjoying *Mayfair* 54.05, noticing that it's mostly blondes who are showing their beauty in this particular issue. And there are lots of high-heeled shoes as well, so it's like the issue was made just for me! *Mayfair* is my favourite PRP title – a traditional magazine for men presenting only pretty women.

Some of the girls are showing more and some less, if you know what I mean, but for me sometimes less is more, and I love every part of the bodies of the girls in *Mayfair* – and I really mean every part, especially when the girls are as sexy as Jasmine and Bexie, who are alright with me! Long hair, pretty girls and high heels are the things I love, and I find them all in *Mayfair*, and I'm very glad *Mayfair* and the other PRP titles have made their way to Finland! Keep going – I can't wait to see more!

Thomas, Helsinki.

We're delighted to have found a fanbase in Finland – and we'll do what we can to keep going and giving you what you want! – Ed.

Reaching down and taking both of her feet in one hand I tugged myself off over them with abandon, spraying my spunk over the bridges of her feet, the come sliding downwards and oozing between her toes.

I collapsed back, panting and gasping, in total awe of the sight of Nadia, her feet white and sticky, covered in my spunk, two fingers deep in her pussy and her thumb rubbing frantically on her clit. She began frigging herself harder, moaning louder, as her pussy lips started twitching and she suddenly screamed out with her own orgasm. She too collapsed onto her back for a second, but then she was straight back up again, as she took her feet in her hands and gently started rubbing the creamy spunk into her skin, gathering some up in her hands, and gleefully spooning it into her mouth. It was easily the best foot-fuck I'm ever likely to have and it'll be in my 'wank bank' forever!

Stephen, Teignmouth.

Babestation beauty Kiki Daniels caused quite a swelling in our mail sack when she made her first couple of appearances in *Mayfair* last year, and yet we seem to have left it all the way to issue 7 before getting her in for a first 2019 outing. Sorry about that, Kiki – have you been up to anything interesting since we last saw you?

“More or less everything I’ve been doing so far this year has been interesting!” she grins, “but I couldn’t possibly go into details in case my family read this! There’s nothing like appearing in *Mayfair* every few months to ensure things don’t get too dull in your life!”
We’ll drink to that, Kiki!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

LITHE AUDIO BLUETOOTH GARDEN SPEAKER

Now that summertime's finally arrived us pasty Brits will be heading out into the garden in our droves, desperate to get a bit of sun on those alabaster limbs in the hope of teasing them into a slightly off-white hue – but sitting in the garden's dead boring, isn't it? You can read, of course, but when you get all sweaty, the last thing you want is your latest Ed McBain (*ahem, he died 15 years ago. RIP, Ed - Ed.*) getting all sticky, so why not listen to music instead? If you're a bit of a luddite you could just take your transistor radio outside, but that's a bit rubbish for 2019, given the vast quantity of nifty bluetooth speakers there are that can connect wirelessly to your phone/device. But supposing you want a bluetooth speaker in the garden that doesn't spoil the garden-y aesthetic by looking all shiny and electrical while you're desperately trying to get back to nature? Then what you need is this – a bluetooth speaker that's cunningly disguised as a rock! Cor, they think of everything these days, don't they? Now there are a couple of things you need to be aware of, here – because it's bluetooth then it is, in one sense, wireless in that you won't need to plug your phone etc. into it, but at the same time it does use electricity and, therefore, needs to be plugged in, which can be a bit tricky in the garden if you don't already have an outdoors socket handy. But let's assume you do have one within 10 metres of where you want this rock to go, then you're all ready to experience the full range of benefits to be had from having a speaker disguised as a rock in your garden. These benefits include, in no particular order: a) listening to your favourite choons without having to sully your eyes with an unsightly, clearly visibly speaker, b) not having to remember to take a speaker with you when you head outside, or fetch it in again when it (inevitably) starts raining, thanks to the fact that it's fully weatherproof (and can function from -20 to 85C, and c) make loads of lame jokes about how much you like rock music! For true audiophiles you can even get a master and slave pair, for true stereophonic garden-based audio japes. And you can tell your neighbours to piss off from me while you're at it.

OMORIL MOTION SENSOR LIGHT

The Earth's precious resources are getting used up quicker and quicker these days, what with our throwaway consumerism, but thankfully new technologies are coming along to help a bit – technologies like LED lighting, which uses a fraction of the energy of old fashioned lightbulbs, and rechargeable devices that do away with the bulk and cost of buying batteries. Here's a nifty little thing we stumbled across that utilises both those technologies and puts it to good use. Motion sensor lights used to be just about deterring burglars or helping people find their own keyhole at night, but the possibilities are far more varied than that – who keep the light on on the landing, say, when you only really need light when you're actually there? Perfect for winter evenings, then, or when you find yourself trotting off for a slash in the middle of the night. The Omeril Sensor Light contains 12 LEDs, which don't make it bright enough to read by, but if it's an alternative to complete darkness you're after, then they'll more than do the trick. The unit takes just 4 hours to fully charge in the first place, and thereafter will provide four hours of constant light; that may not seem much, but of course the whole point is it doesn't provide constant light – just a bit of light when it detects movement (within 120° and 10 feet) in the dark, so on average usage it should get for about 3 weeks in between charges. That's a lot of trips to the loo in the night. With a nifty magnetic strip to stick it to the wall, installation is a doddle as well.

A banker had been working in the city for 25 years when he decided that he was sick of the stress and quit his job. He bought 50 acres of land in the middle of nowhere down in the West country. His place was so isolated that the postman came only once a week and he went to the supermarket only once a month.

Saturday, I thought you'd like to come."
"Great," replies the ex-banker.
"After six months of living like this I'm ready to meet some locals. Thanks for inviting me."
As the local is leaving, he stops. "Got to warn you though, there's going to be some drinking."

"Not a problem. After 25 years working in the city, I can drink with the best of them."

Again, as he starts to leave, the local stops.
"There's more than likely going to be some fighting, too."
"Well, I get along with people," says the ex-banker.
"Don't worry, I'll be there. Thanks again."

Once again, the local turns from the door, "I've seen some wild sex at these parties, too," he offers as a final warning.
"Now that is not a problem," the ex-banker grins.
"I've been up here all alone for six long months."

"I'll definitely be there. By the way, what should I wear?"

The local stops in the doorway one last time and says, "Wear whatever you want. It's just going to be the two of us there."

The teacher asked little Johnny if he knows his numbers.

"Yes, I do," he said. "My father taught me."

"Good," says the teacher.

"What comes after three?"

"Four," answers the boy.

"What comes after six?"

"Seven."

"Very good," says the teacher. "Your dad did a good job. What comes after ten?"

"A Jack."

A mortician was working late one night. It was his job to examine the dead bodies before they were sent off to be buried or cremated. As he examined the body of a guy called Brad, who was about to be cremated, he made an amazing discovery: Brad had the longest cock he had ever seen!

"I'm sorry Brad," said the mortician, "I can't send you off to be cremated with a whopping knob like this. It has to be saved for posterity."

And with that he used his tools to remove the dead man's distinguishing member. He stuffed his prize into a briefcase and took it home. The first person he showed was his wife.

"I have something to show you that you won't believe," he said, and opened his briefcase.

"Oh, no!" she screamed, "Brad's dead!"

"The glasses are fine," replies the snake. "I just discovered I've been living with a garden hose for the past two years!"

The man replies, "No, that's OK. If the twelfth one doesn't get rid of the taste nothing will."

Natalia Starr's got more than a touch of the classic American glamour model about her, but it turns out her roots aren't in America at all...

"No, I was actually born in Poland! Mind you, I was pretty young when my parents moved, so I don't really remember much about it. I can speak it a bit, and still seem to get a lot of cabbage dishes to eat when I go round to my mum's, but all in all I'm pretty glad that they moved and that things have panned out the way they have for me..."

Ahem, looking at you today, we're sure everyone would heartily agree!

My dear old grampappy always used to exclaim something like "Well I'll go to the foot of our stairs!" whenever something took him by surprise, which was quite often, given how mutt'n'jeff he was. But he'd have been a lot more surprised if he'd gone to the top of the stairs instead – at least he would have done if delectable Dannii Harwood was giving it a bit of this on the landing! So what's the idea, Dannii?

"Oh, we just thought the lighting was quite nice for a shoot here. If you don't like it I'll cover up and we can do it some other time!"

Ah, no, you're alright there, just you carry on. I'll just try and make myself comfortable by perching on the laundry basket...

SCENE from MAYFAIR

Lots of deceit and lies for you this issue, with bent coppers in cahoots with crims to Viennese toffs bedding tarts and a couple of WWII deceptions of rare audacity and pluck.

LINE OF DUTY SERIES 5

Magnificently named Jed Mercurio racked up eye-watering viewing figures with *The Bodyguard* last year, but it's this show that's made and cemented his reputation, and, if you were in prison or on a mission to Mars earlier this year, you might have missed the fact that series five just aired. We all know there are a few rotten apples in the police force, but it looks like Jed reckons they're nearly all as bent as a nine, er, bobby note, with the honourable exception of Martin Compston's buttoned-up Steve Arnott and Vicky McClure's Kate Flemming who, as the cutting edge of AC-12, are permanently employed in trying to sniff out police corruption. It's a lot more fun – and complicated – than cops just trying to track down baddies, with loyalties being stretched in all directions, and this series stretches them further than ever with AC-12 'guv'nor' Ted Hastings (Adrian Dunbar) coming under suspicion, with Stephen Graham adding extra class. A series 1-5 boxset is also available.

LA RONDE

It's not every film that gets hailed as a masterpiece, so when one that has that acclaim nailed-on plops onto your reviews desk, you've got to give it a watch, haven't you? Dating back to 1950, but feeling a good bit older due to its turn-of-the-century setting, Max Ophüls's adaptation of Arthur Schnitzler's play follows a circle of romantic engagements (er, shags, to you and me) that start off with a prostitute and a soldier having a knee-trembler under a bridge through all the different walks of life in 1900s Vienna until the circle is closed with a Count hooking up with the pro. It's a bit scandalous, and was banned in America for a while, but with some of the biggest names in French cinema (Simone Signoret, Anton Walbrook, Simone Simon etc) and its frankly dazzling camerawork, this restored Blu-ray release from Bluebell Films is a cracking release.

I WAS MONTY'S DOUBLE / ODETTE

This month marks the 75th anniversary of D-Day, so when better for Studio Canal to restore and reissue a brace of much-loved war films based on real life stories? 1958's *I Was Monty's Double* pretty much does what it says on the tin, with John Mills and Cecil Parker cooking up a plan to confound the Nazis by getting an out of work actor (ME Clifton James – who plays himself!) to pretend to be Monty and head to North Africa, thereby acting as a decoy to the real invasion plans in Normandy. And it worked, too, tipping the odds more in the Allies' favour come the big day. 1950's *Odette*, meanwhile, sees Anna Neagle playing Odette Samson, a French-born mother who risks all to return to France undercover with the Special Operations Executive, where she's finally captured and tortured. An inspiring tale of bravery and determination in the face of cruel adversity.

Photographer: Dazzglam

Wendy's looking the part in her tasteful lingerie set and no mistake, and it seems like it's not just her choice of attire that's been carefully selected for this shoot...

"Ha, yes, I was in two mind about whether to go with the full bush, the neat strip or the totally shaven look downstairs. As you can see, I decided to go for the latter – I hope your readers will approve!"

We're sure they will, although without wishing to be pedantic, it sounds like you were in three minds rather than two. So what finally persuaded you to go with the shaven look?

"Well, to be honest, I got a bit carried away. Still, it the most fun I've had in the bath for a while!"

MAYFAIR MOVIES

Looks like those pro-knobbers and knobees have been hard at it again this month for our delectation. But have all their efforts been worth it? Here's where we find out!

DIGITAL PLAYGROUND PRESENTS DANGEROUS WOMEN

Adriana Chechik made her name at Evil Angel, making some spectacularly pervy film, and it looks like all her hard work's paid off, because now she's bagged herself a contract at Digital Playground. This has a plot that involves British cocksman Danny D going on holiday with his new squeeze, Emily Willis, only to bump into his old squeeze – Adriana. Blimey, he certainly seems to go for a type. There's a bit of actual acting to kick things off, with Adriana suggesting to resort manager Jay Snake that he's just the sort of 'accoutrement' she might be needing later on, and sure enough, she soon gets him alone, where the pair of them waste little time in getting down to business. A bit of 69ing leads into a filthy reverse cowgirl before Adriana pulls out some trademark squirts while Jay plunders her jacksie. Danny and Emma enjoy a slightly less frenetic pairing in scene two, which gives the viewer a chance to get their breath back before Adriana's return – first with UK-based splosher Tina Kay (who then services Danny) and then finally with Emily and the impressively tattooed Juan Lucho.

PRIVATE PRESENTS SENSUAL MAIDS 2

Here at *Mayfair* we've got a hard spot for maids – so much so that the Ed's been known to book himself into a hotel and spend the whole weekend in bed, hoping for a spot of the kind of maid action that's on display in films like this (sadly without success). If only he'd stumbled across Ginebra on one of these weekends – she's a cock-mad flammer who, not content to tidy the kitchen while a couple of bald businessmen sign a contract, decides to help them seal the deal in style with a porking. Once she's chowed down on their lengths the lads get stuck in, leaving no hole unravaged until she's treated to a couple of gobfuls of goo. Just one cock each for the remaining maids, but they're all worth a shufti, not least Susy, who's got a wonderfully curvy bod and whose bum looks sensational as she rides her stud. Nothing too pervy, but five nicely shot scenes that get the job done.

WICKED PICTURES PRESENTS ANAL HOSE AND STOCKINGS

A mention of stockings in a title indicates that you've got a rather classy production on your hands, but that's offset by the 'Anal', which suggests something be a bit more gonzo. So what's going on here?

Mai Tai's a hardbodied Asian cutie who's name seems to invite the response "Well yes, you may!" and so it proves after she's done a little tease in her fishnets. She's soon chomping on her beau's knob before he returns the favour, snacking on her shaven, pierced snizz before rubbering up and giving it quick poke. Then things turn anal, and they go through all the requisite positions before he can hold out no longer. A strong opener, but it quickly becomes apparent that rest of the film is shot in the same room. Some of the girls are very cute, but for Wicked, this is a pretty low-rent offering.

MIA

Age: 28 Vital Stats: 34B-23-34 5'5"
Photographer: BBM

Mia, as far as we can see, hasn't been in for a shoot since her debut in volume 51, which is a bit of a mystery to us – either we've made a boob or Mia herself hasn't been about so much...

"Yes, I've been out of the country for a couple of years, actually. I met a guy from Spain and I've been living down there, but in the end things petered out and I'm back. Apart from anything else, it was too bloody hot for me. I'm very fair-skinned and I could hardly go outside at all for months on end!"

Well that must have been a drag. How did you keep yourself entertained all that time?

"Oh, we managed!"

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

It probably wouldn't be seen as acceptable nowadays, but a few years ago, when reality shows really started to take off, I answered an advert to take part in a 'social experiment' for TV to see how people from different classes mix socially - and maybe sexily - in a blind date scenario.

I was told after the auditions that they were going to send me on a date with this 'salt-of-the-earth bloke', as they put it.

It sounded really good; an all-expenses paid weekend in London, a theatre trip and dinner. I wasn't expecting much from my date, I have to admit. To my mind at that point, 'salt-of-the-earth bloke' might as well have equalled 'scruffy and uneducated'. Well, I certainly had my mind changed that weekend!

His name was John and, while he was rough around the edges and not exactly highly educated, he was clearly bright, with a fabulous sense of humour. The cameras were there documenting our slightly awkward first meeting, our trip to the theatre and our much more relaxed dinner, where they eventually left us alone.

Once the cameras had disappeared we had so much fun! John had me drinking pints of beer, I made him sip champagne and we laughed raucously all evening long. They'd booked us separate rooms, but he never made it to his own that night. The sexual chemistry between us was palpable.

He teased me for wearing sexy undies, saying I must have thought I was on a

AS I GYRATED MY HIPS.

promise. I said that as I am a lady, I always wear lingerie, and I threw my lacy knickers at him. I tried to keep my cool as he stripped off - he had a gorgeous body, naturally toned, and I felt my eyes widen as I saw his erection.

I gave him a playful shove backwards into

an armchair, then simply dropped to my knees and began devouring his engorged prick. I told him he had the most beautiful cock and he said it sounded so dirty said in my posh accent.

That just spurred me on! Despite it being out of character, I said the filthiest things that came into my head; how I was desperate to feel him spunk in my cunt, how he could come all over my tits. I think I may have pushed it too far and shocked him slightly, so I used my mouth to suck his helmet instead.

He was really gentle with me at first, but once I convinced him I wasn't made of china, he got a little rougher, grabbing the back of my hair and screwing in and out of my mouth.

I gave his balls a squeeze and he stopped, and I spat his dick out but climbed on top of him, straddling his crotch and pushing my breasts in his face. His hands were big and rough against my soft flesh, and I yelped with pleasure as he nipped at my boobs. He hesitated and I said, "Just keep on sucking - if I want you to stop, you'll know about it!" He looked a bit shocked again, probably by my stern tone, so I just smiled and sank down on his prick.

John groaned and started to fuck me, thrusting straight upwards as I gyrated my hips and arse over his cock. I felt it stir around inside me, and as I started to use my vaginal muscles, he groaned aloud.

Within a few more seconds I felt a hot, delicious rush of come

shoot inside me, and I spread my legs even wider to bear right down on his hard tool. We kissed and lay against each other for a while, panting. When we'd sufficiently caught our breath, he picked me up and carried me to the bed.

He said he was sorry if he'd come too fast, but I had the tightest snatch he'd ever shagged. When I said, "Yoga and Pilates, maybe?" he thought it was hilarious. "You're such a stereotypical posh bird," he laughed, tickling me.

As we lay there together, I asked how he'd felt about us meeting up, what had gone through his mind. He said he'd expected me to be all uppity, in need of a good shagging to loosen me up. Then he added,

Name: CARLA
Age: 29
From: CAMBRIDGE

"Preferably up the arse." He suddenly looked a little sheepish, quickly adding that he hadn't expected to like me as much as he did.

I winked at him, silently reassuring him it was okay, and turned around on the bed, shoving my arse high in the air. Reaching behind me, I spread my buttocks wide, telling him to "stick his big cock in my arsehole, to shag it as hard as he could", knowing how much this would get him going.

Reaching beneath me, he slathered both my bum and his dick with my juices, and then carefully slid it in, taking it really slowly and gently.

"I told you hard," I barked, using my stern voice again, and almost immediately he started thrusting, stroking in and out, slaps ringing out as his hand spanked my bumcheek.

"I SPREAD MY LEGS EVEN WIDER TO BEAR RIGHT DOWN ON HIS HARD TOOL."

It was intense, incredible – this big, rough man giving me a hard, deep, anal screw. I pushed back, taking him down to his balls, clenching tight until, with a loud grunt, he flooded my arsehole with a fresh load of spunk.

We fucked all ways for most of the night, only stopping when I fell asleep on John's chest. However, as soon as we awoke the following morning, we were immediately back at it like the proverbial rabbits!

We were interviewed by the TV crew again later that day, both separately and together. I have to admit I lied through my teeth and said that he'd been good company but there'd been no spark. I think they wanted it to be a complete disaster to make for good viewing, so I made the date sound as mundane and uneventful as possible, as did John. After all, it was none of their

business!

John and I are still happily together a few years later and our sex life is just as exciting as it was that weekend. Not only did we prove that different classes can work as a couple, we also proved to ourselves that different classes can have the most mind-blowing sex!

looking similarly pissed off. She smiled at me. I smiled back and sat opposite her. She had great boobs; I could see their firm shape through her thin top, and as she crossed and uncrossed her legs, I thought the curve of her thighs was really nice. She looked at me suddenly and smiled. "Hello," she said. "I'm Simone."

"I WENT DOWN ON HER, LICKING HER PUSSY WITH EVERYTHING I HAD..."

A couple of weeks ago my boyfriend and I went for a night on the town. We hadn't been out together for ages and thought we'd really make a night of it, but things didn't turn out too well as I returned from the toilet in one bar to find him snogging his ex! Naturally I told both of them what I thought of them and I stormed out of the bar.

Thoroughly pissed off, I went and waited at the taxi office for a cab home. In front of me in the queue was a girl about my age,

"Alright," I said. "I'm Tara."

We got talking for a few minutes; I told her about my wanker boyfriend and she told me she was pissed off because she'd gone out with some mates and everyone had pulled but her.

Then it turned out we lived near each other so we decided to share a taxi back to hers.

On the journey home there was a great air of sexual tension. She was really sexy and I felt my pussy moisten as I looked at her legs, then her tits. Deciding to go for

it, I dropped a hand down to my lap, hitched up my short skirt a bit and opened my legs.

Feeling my heart race, I ran a finger around the edges of my pussy and felt it soak the seat immediately. It was incredible, slowly starting to fuck myself while a stranger sat next to me.

Without saying a word, she yanked up her skirt, showing her stocking tops and hairless slot. I gasped as she pressed two fingers against her hole and dipped one in. Her eyes half lidded with pleasure, she friggd right in front of me as I grew braver and fucked myself quick

and hard, feeling my pussy juices ooze out and pool around my arse. I couldn't take anymore and came hard all over my fingers.

In full view of the cab driver's rear view mirror her tongue plunged into my mouth as my fingers found her love hole, dipping

in and out as I searched for her G-spot. She squirmed on the seat and my fingers, rubbing my clit, then my arsehole. I gasped, lifting myself out of the seat and clenching my pussy muscles around her probing fingers.

Gasping and crying, she lifted her fingers to my mouth and I licked and sucked them clean, loving the dirty taste of my two holes.

"Just here will do, driver," Simone said as we arrived at her street. She paid the fare but told the driver with a knowing smile that he'd already had his tip as we left our musky scent all over his backseat. No doubt he'd drive round the corner and then knock one out after what he'd just seen!

As soon as we got through her front door we were tearing at each other's clothes as Simone led me to the lounge. She lay almost naked on the carpet, just wearing her high heels and stockings. I went down on her, licking her pussy with everything I had, jabbing my tongue right up her tunnel and rubbing my thumb over her arsehole until she came on my face. Shaking and crying with delight, I twisted around, pulling my little skirt right up and squatted over her so we were in a 69 position.

Immediately she went for my two holes, licking at both and then ramming two fingers up them. I could only take a little and screamed as my orgasm hit me. She moved out from under me and I saw my girl come all over her lips and mouth.

"You liked that, you little bitch, didn't you?" she asked, and it was all I could do to nod meekly.

"Then I've got something else for you," she said and left the room. I sat on the sofa, shaking with orgasmic delight and running a finger in and out of my tender pussy. She came back a minute later, wearing the biggest strap-on I'd ever seen. I gasped.

"No, I don't think I can take that," I whimpered.

"Yes, you fucking will," she said. "Now

suck me.”

I crawled to her and sucked on the plastic phallus like it was a real salty cock, running my tongue all over it and plunging my fingers in and out of my hole as I did.

After five minutes, she told me to turn over and lean on the sofa. Simone pressed the strap-on against my pussy and started to mount me doggy style.

It slid in, stretching my pussy wide open as one, then two, then slowly, so slowly, all seven inches of it were buried up my twitching, shaking twat.

She began to thrust in and out, holding my hips and I rubbed and pulled at my boobs, crying with sheer delight as this gorgeous, sexy girl fucked me from behind and made me feel like a dirty fucking whore. I loved it

and came when she reached round and rubbed my clitty as she fucked me.

To finish off, I sucked her ‘cock’ again, tasting my own pussy juices and fucking myself with a vibrator. I can’t wait to see the look on my boyfriend’s face when I tell him I’m with someone else now – another girl!

Give Us A Flash, Dancer!

See super sex kitten Claire Cass limber up and strip off — on your very own lap-top!

Ballet is elegant and precise. Ballet productions are painstakingly choreographed, the dancers working their socks off for the sake of their art, forced to turn away cakes and crisps in order to spin and kick and twirl successfully. Yep, ballet is demanding. And it can also be very dull. But not anymore, because access our Internet site and you'll see gorgeous *Mayfair* missy Claire Cass giving her best performance in our exclusive net mini-movie. There's sex,

PHOTOGRAPHED AND FILMED BY

**MAYFAIR
Classic**

there's glamour, there's a pink tutu which is soon whipped off and – best of all – there's not one of those men with a banana stuck in their tights in sight! And after you've danced a merry dance in your trousers you can tour the rest of Paul Raymond's Soho, checking out our full range of mags. Ta-daa!

MAYFAIR 93

Ever wanted to be a real ballet dancer? *Yeah. I've wanted to be everything at some stage or another, but ballet is too much like hard work.*

You look fit enough for it. *It's very tough being a dancer, especially standing on your toes. I feel a lot more comfortable when my feet are in the air!*

Classic

Here's one for historically-minded readers! Not only do you get the astonishing Claire Cass, who was such a firm favourite with *Mayfair* readers 20-odd years ago – you also get a reference to our budding website (ahem, it's paulraymond.xxx these days!). Of course back then you had to call up an operator and ask to be put through to the website and then wait three weeks to be connected, but still...

We'll agree with you there.
I know so many men who would love to see a girl do the splits naked. It seems to be a real shared fantasy of you blokes.

Certainly gets us exercising.
With your hands no doubt! Yeah, I can imagine what muscle you like to keep fit.

Ahem. Easy.

MAYFAIR

Vol.54 No.08

On Sale July 24th

Here we are so far into 2019 that the longest day is already behind us, which must mean that we're hurtling headlong towards 2020! Maybe it's because I'm not getting any younger, but it doesn't half seem like the days are rushing past. Still, I guess there's nothing that's guaranteed to make the day go by in a whirl than spending it surrounded all these foxy *Mayfair* babes. Perhaps I ought to try and stay away from them in an effort to slow down the march of time! Hmm, then again, maybe I won't if next month's promising cuties like Lacey and newbie Rosa!
